We wish to acknowledge this land on which the University of Toronto operates. For thousands of years it has been the traditional land of the Huron-Wendat, the Seneca, and the Mississaugas of the Credit. Today, this meeting place is still the home to many Indigenous people from across Turtle Island and we are grateful to have the opportunity to work on this land.

As part of the Faculty's commitment to improving Indigenous inclusion, we call upon all members of our community to start/continue their personal journeys towards understanding and acknowledging Indigenous peoples' histories, truths and cultures. ### **Will There Really Be A Morning?**

Text by Emily Dickinson (1830-1886)

Will there really be a "Morning"?  
Is there such a thing as "Day"?  
Could I see it from the mountains  
If I were as tall as they?

Has it feet like Water lilies?  
Has it feathers like a Bird?  
Is it brought from famous countries  
Of which I have never heard?

Oh some Scholar! Oh some Sailor!  
Oh some Wise Man from the skies!  
Please to tell a little Pilgrim  
Where the place called "Morning" lies!

### **Jasminenstrauch**

Text by Friedrich Rückert (1788-1866)

Grün ist der Jasminenstrauch  
Abends eingeschlafen,  
Als ihn mit des Morgens Hauch  
Sonnerlichter trafen,  
Ist er schneeweiss aufgewacht:  
„Wie geschah mir in der Nacht?“  
Seht, so geht es Bäumen,  
Die im Frühling träumen!

### **The Jasmine Bush**

Translation by Richard Stokes

The green jasmine bush  
fell asleep last night,  
When woken by the morning breeze  
And sunlight,  
It was snowy white:  
"What happened to me overnight?"  
That, you see, is the fate of trees,  
Who dream in spring!

## **Die Blume der Ergebung**

Text by Friedrich Rückert (1788-1886)

Ich bin die Blum im Garten,  
Und muss in Stille warten,  
Wann und in welcher Weise  
Du trittst in meine Kreise.

Kommst du ein Strahl der Sonne,  
So werd' ich deine Wonne  
Den Busen still entfalten  
Und deinen Blick behalten.

Kommst du als Tau und Regen,  
So wird' ich deinen Segen  
In Liebesschalen fassen,  
Ihn nicht versiegen lassen.

Und fährst du gelinde  
Hin über mich im Winde,  
So werd' ich dir mich neigen,  
Sprechend: Ich bin dein eigen.

## **The Flower of Submission**

I am the flower in the garden,  
And must wait in silence,  
To see when and in what way  
You come to me

If you come as a ray of sunlight  
I shall silently open my heart  
To the bliss of your warmth,  
And cherish your gaze.

If you come as dew and rain,  
I shall preserve your blessings  
In chalices of love,  
And not let it dry up.

And if you gently brush  
Over me in the wind,  
I shall bow to you,  
Saying: I am yours alone.

## **Er ist's**

Text by Eduard Mörike (1804-1875)

Frühling lässt sein blaues Band  
Wieder flattern durch die Lüfte;  
Süße, wohlbekannte Düfte  
Streifen ahnungsvoll das Land.

Veilchen träumen schon,  
Wollen balde kommen.  
Horch, ein Harfenton!  
Frühling, ja du bist's!  
Dich hab ich vernommen!

## **Spring is here**

Spring lets its blue ribbon  
Flutter in the breeze again;  
Sweet, memorable scents  
Drift promisingly across the land.

The violets are already dreaming,  
Wanting to come out soon.  
Listen, the sound of a harp!  
Spring, yes it's you!  
It's you that I've heard!

### **Mein schöner Stern!**

Text by Friedrich Rückert (1788-1868)

Mein schöner Stern! Ich bitte dich,  
O lasse du dein heitres Licht  
Nicht trüben durch den Dampf in mir,  
Vielmehr den Dampf in mir zu Licht,  
Mein schöner Stern, verklären hilf!

Mein schöner Stern!  
Ich bitte dich,  
Nicht senk' herab zur Erde dich,  
Weil du mich noch hier unten siehst,  
Heb' auf vielmehr zum Himmel mich,  
Mein schöner Stern, wo du schon bist!

### **Ihre Stimme**

Text by August von Platen (1796-1835)

Lass tief in dir mich lesen,  
Verhehl' auch dies mir nicht  
Was für ein Zauberwesen  
Aus deiner Stimme spricht!

So viele Worte dringen  
Ans Ohr uns ohne Plan  
Und während sie verklingen  
Ist alles abgetan!

Doch drängt auch nur von ferne  
Dein Ton zu mir sich her,  
Belausch' ich ihn so gerne,  
Vergess' ich ihn so schwer.

Ich bebe dann, entglimme  
Von allzurascher Glut:  
Mein Herz und deine Stimme  
Versteh'n sich gar zu gut!

### **My Beautiful Star!**

My beautiful star! I beg you,  
O do not let your serene light  
Be tarnished by the mists in me,  
Rather help transform  
the mists in me into light,  
My beautiful star!

My beautiful star!  
I beg you,  
Not to descend to earth,  
Because you still see me down here,  
Rather lift me up to Heaven,  
My beautiful star,  
where you already are!

### **Her voice**

Let me read the truth deep within you;  
Do not conceal from me  
What magic being  
Speaks from your voice!

So many words  
Reach our ears without a purpose;  
They are forgotten  
Even before they die away.

But even from a distance  
Your tones find their way to me;  
I listen to them with delight,  
It's impossible to forget them.

Then I tremble, kindled  
With sudden fire:  
My heart and your voice  
Understand each other too well!

## Betracht dies Herz

Betracht dies Herz und frage mich,  
Wer hat die Kron' gebunden,  
Von wem sind diese Wunden?  
Sie ist von mir und doch für mich.  
Sieh, wie es Blut und Wasser weint,  
Hör, was die Zähren sagen,  
die letzten Tropfen fragen,  
Ob es mit dir nicht redlich meint.  
Er gib dich, hartes Herz,  
Zerfließ in Reu und Schmerz.

## Chanson d'avril

Text by Louis Bouilhet (1821-1869)

Lève-toi! Lève-toi! Le printemps vient  
de naître!  
Là-bas, sur les vallon, flotte un réseau  
vermeil!  
Tout frissonne au jardin, tout chante et  
ta fenêtre,  
Comme un regard joyeux, est pleine de  
soleil!

Du côté des lilas aux touffes violettes,  
Mouches et papillons bruissent à la  
fois;  
Et le muguet sauvage, ébranlant ses  
clochettes,  
A réveillé l'amour endormi dans le bois!

Puisqu'Avril a semé ses marguerites  
Blanches,  
Laisse ta mante lourde et ton manchon  
frileux,  
Déjà l'oiseau t'appelle, e tes soeurs les  
pervenches  
te souriront dans l'herbe en voyant tes  
yeux bleus!

## Consider this heart

Consider this heart and ask yourself:  
Who made this crown,  
Who inflicted these wounds?  
It happened because of me, yet for me.  
See how it cries tears of blood and  
water,  
Listen to what the tears are saying,  
Ask the last drop  
Whether you are being honest.  
Give in, hard heart,  
Dissolve into penitence and grief.

## Song of April

Get up! Get up! Spring has just been  
born!  
Over those valleys a rosy mist is  
floating,  
Everything in the garden trembles and  
sings;  
Your window is full of sunshine,  
Like a joyful gaze.

Next to the lilacs grow tufts of violets,  
Butterflies and bees flutter and hum  
together,  
And the wild lily-of-the-valley, shaking its  
bells,  
Has awakened love who was sleeping in  
the woods.

Now that April has scattered its white  
daisies,  
Leave aside your heavy cloak and cosy  
muff,  
The bird is already calling you, and your  
periwinkle sisters  
Will smile at you in the grass when they  
see those blue eyes!

Viens, parton! Au matin, la source est  
plus limpide;  
Lève-toi! Viens, partons! N'attendons  
pas du jour les brûlantes chaleurs;  
Je veux mouiller mes pieds dans la  
rosée humide,  
Et te parler d'amour sous les poiriers  
en fleurs.

### Automne

Text by Armand Silvestre (1837-1901)

Automne au ciel brumeux, aux  
Horizons navrants,  
Aux rapides couchants, aux aurores  
pâlies,  
Je regarde couler, comme l'eau du  
torrent,  
Tes jours faits de mélancolie.

Sur l'aile des regrets mes esprits  
Emportés,  
Comme s'il se pouvait que notre âge  
renaissse!  
Parcourent, en rêvant, les coteaux  
enchantés  
Où jadis sourit ma jeunesse.

Je sans, au clair soleil du souvenir  
vainqueur  
Refleurir en bouquet les roses déliées  
Et monter à mes yeux des larmes,  
qu'en mon Coeur,  
Mes vingt ans avaient oubliées!

Come, let's go! The spring is clearer in  
the morning;  
Get up! Come, let's go! Let us not wait  
for the burning heat of the day;  
I want to wet my feet in the moist dew  
and talk to you of love under the  
blossoming pear-trees.

### Autumn

Autumn of misty skies and  
heartbreaking horizons,  
Of rapid sunsets and pale dawns,  
I watch your days flow by like torrents,  
Filled with melancholy.

My spirits, carried away on the wings of  
regret,  
-As if our time could round again!-  
Roam in reverie the enchanted hills,  
Where my youth once smiled.

In the bright sun of triumphant memory,  
I feel the scattered roses reblooming in  
bouquets;  
And tears rise to my eyes, that in my  
heart  
At twenty had been forgotten!

## **Will There Really be A Morning?**

Text by Emily Dickinson (1830-1886)

Will there really be a "Morning"?  
Is there such a thing as "Day"?  
Could I see it from the mountains  
If I were as tall as they?

Has it feet like Water lilies?

Of which I have never heard?

Oh some Scholar! Oh some Sailor!  
Oh some Wise Man from the skies!  
Please to tell a little Pilgrim  
Where the place called "Morning" lies!

J'abandonne mon âme à des songes  
divins.

## **Viola**

Text by Maurice Bouchor (1855-1929)

Viola, ton sourire et tes yeux  
caressants  
Où le ciel curieux et ravi se reflète;  
Ton sourire et tes yeux, ma fraîche  
violette,  
Chantent l'inaltérable amour que je  
pressens.

O toi que j'entrevis à peine, ton sourire  
Me parle de tendresse et d'immortalité;  
Je veux t'aimer, je t'aime, et me voici  
hanté  
Par tes yeux où le ciel émerveillé se  
mire.

J'évoque en ce moment tes cheveux  
blonds et fins,  
Tes yeux, ta joue en fleur que je n'ai  
point baisée,  
Ton sourire et, dans la lumière irisée,

## **Viola**

Translation by Noelle McMurtry

Viola, your smile and your gentle eyes  
Are reflected in the intriguing and  
rapturous sky;  
Your smile and your eyes, my sweet  
violet,  
Sing of the unchangeable love that I  
foresee.

O you that I barely glimpse, your smile  
Speaks to me of tenderness and  
immortality;  
I want to love you, I love you, and here I  
am haunted  
By your eyes, where the sky, enthralled,  
gazes at itself.

I recall in this moment your blond, fine  
hair,  
Your eyes, your flushed cheek that I did  
not kiss,  
Your smile and, in the iridescent light,

I abandon my soul to divine dreams.

### **Songe**

Text by Maurice Bouchor (1855-1929)

Guidé par de beaux yeux candides  
Dans ma barque féerique aux reflets  
d'argent fin  
Vers l'amour je voudrais faire voile  
sans fin  
Sur des rêves bleus et splendides.

Vers l'amour dont le souffle frais  
Berce des champs de fleurs dans une  
île enchantée,  
Et qui, pour apaiser mon âme  
tourmentée,  
M'ouvrira de saintes forêts.

Et plus tard quand, loin de la terre,  
O Viola! Guéris des brûlantes  
langueurs,  
Nous ironis caresser les songes de nos  
coeurs  
Dans l'île heureuse du mystère?

Dans le libre ciel des Esprits  
Quand nous aurons quitté la nature  
Mortelle,  
Ne goûterons-nous pas une paix  
éternelle?  
Rêveusement tu me souris.

### **Dream**

Translation by Noelle McMurtry

Guided by beautiful, innocent eyes,  
In my magical boat with flashes of fine  
silver  
Towards Love, I would like to sail  
endlessly  
On blue and splendid dreams.

Towards Love, whose fresh breath  
Cradles the fields of flowers on an  
enchanted island,  
And who, to comfort my tormented soul,  
Reveals to me its holy forests.

And later when, far from Earth,  
Oh Viola! Healed by blazing languor,  
Will we caress the dreams of our hearts  
on the happy island of mystery?

In the liberated heaven of the Spirits,  
When we abandon our mortal form,  
Will we not enjoy an eternal peace?  
Dreamily, you smile at me.

## **La Danza**

Text by Carlo Pepoli (1796-1881)

Già la luna è in mezzo al mare,  
Mamma mia, si salterà!  
L'ora è bella per danzare,  
chi è in amor non mancherà

Già la luna è in mezzo al mare,  
mamma mia, si salterà!

Presto in danza a tondo, a tondo,  
donne mie venite qua,  
Un garzon bello e giocondo  
a ciascuna toccherà,  
Finché in ciel brilla una stella  
e la luna splenderà.  
Il più bel con la più bella  
tutta note danzerà.

Mamma mia, mamma mia,  
già la luna è in mezzo al mare,  
mamma mia, mamma mia,  
mamma mia, si salterà.  
Frinche, frinche, frinche,  
frinche, frinche, frinche,  
mamma mia, si salterà.

La la ra la ra...

Salta, salta, gira, gira,  
ogni coppia a cerchio va,  
già s'avanza, si ritira  
e all'assalto tornerà.

Già s'avanza, si ritira  
e all'assalto tornerà!

Serra, serra, colla bionda,  
colla bruna và quà e là  
colla rossa va a seconda,  
colla smorta fermo sta.  
Viva il ballo a tondo, a tondo,  
sono un Re, sono un Pascià,  
è il più bel piacer del mondo

la più cara voluttà.

## **The Dance**

Now the moon is over the ocean;  
Mamma mia, we're going to leap!  
The hour is beautiful for dancing,  
Anyone in love will not miss it.

Now the moon is over the ocean,  
Mamma mia, we're going to leap!

Soon we'll be dancing, round and round,  
my ladies, come here,  
A beautiful and playful lad  
will have a turn with everyone.  
As long as in heaven sparkles a star,  
And the moonbeams will shine  
The most beautiful boy and girl  
Will dance all night.

Mamma mia, mamma mia,  
Now the moon is over the ocean;  
Mamma mia, mamma mia,  
Mamma mia, we're going to leap!  
Faster, faster, faster,  
Faster, faster, faster,  
Mamma mia, we're going to leap!

La la ra la ra...

Hopping, jumping, turning, spinning,  
Every couple have a turn,  
Now advancing, now receding,  
And returns to the excitement.

Now advancing, now receding,  
And returns to the excitement.

Dance, dance with blonde,  
With the brunette of here and there  
With the redhead follow along,  
With the pale one, keep still.  
Long live dancing, round and round!  
I am a king, I am a lord,  
It is the world's greatest pleasure

The most beautiful delight!  
Mamma mia, mamma mia,  
già la luna è in mezzo al mare,  
mamma mia, mamma mia,  
mamma mia, si salterà.  
Frinche, frinche, frinche,  
frinche, frinche, frinche,  
mamma mia, si salterà.

Mamma mia, mamma mia,  
Now the moon is over the ocean;  
Mamma mia, mamma mia,  
Mamma mia, we're going to leap!  
Faster, faster, faster,  
Faster, faster, faster,  
Mamma mia, we're going to leap!
